## **AUDITOR'S REPORT**

To the Secretary, AFST(I) Education and Publication Trust, Mysore

I have audited the attached Balance Sheet AFST(I), Education and Publication Turst, Mysore, as at 31st March, 2015 and also the Income and Expenditure Account and Receipts and Payments Account for the year ended on that date annexed thereto. These financial statements are the responsibility of the Association. My responsibility is to express an opinion on these financial statements based on my audit.

I have conducted the audit in accordance with the auditing standards generally accepted in India. Those Standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

I have obtained all the information and explanations, which to the best of my knowledge and belief were necessary for the purposes of audit. In my opinion proper books of accounts have been maintained by the society in so far as appears from my examination of the books of accounts of the Association.

In my opinion and to the best of my information and according to the explanations given to me, the said accounts give a true and fair view :-
