INTERNATIONAL CONFERENCE

on

Emerging Paradigm Shifts in Food & Dairy Processing: Advances in Food Safety, Quality and Sustainability

October 25-26, 2024

Organized by

Dept. Dairy Science & Food Technology

Institute of Agricultural Sciences

Banaras Hindu University

&

Association of Food Scientists & Technologists (I)

Varanasi Chapter,

Indian Dairy Association (Eastern UP Chapter)

Invitation

Food & dairy sector has tremendously contributed towards the economic growth. Worldwide the revenue in the Food market amounts to US\$9.12 trillion in 2024 and is expected to grow annually by a CAGR of 6.47% (2024-2029). The domestic food market is projected to grow by over 47% between 2022 and 2027, reaching US\$ 1,274 billion. Dairy cooperatives system has played a pioneering role in achieving the evolutionary heights in dairy sector that today India is the largest producer of milk in the world. India produced 230.60 million tonnes of milk during the year 2022-23 & is contributing 23% of global milk production.

Hence, efficient and sustainable processing of raw produce and milk is the key to achieve global acceptance & increase export, farmer's income and country's GDP, cleaner environment, & better nutrition for everyone.

We are pleased to invite you to this International Conference specially designed to critically discuss and disseminate the innovations and new knowledge for sustainable food & dairy processing.
